Dear Members:

I hope that this letter finds you happy and healthy.

Enclosed is our 2011 Charleston Membership Application. As you can see, our membership fee has not been changed from last year. Please make your payment in full by May 1, 2011.

I am excited to let you know that **Matt Acciani** will be returning this summer as our Head Swim Coach, and **Meredith David** is our new Assistant Swim Coach. Matt and Meredith are excited to work with our children to build upon last year's fun season. The Charleston Swim Team membership and information will be sent separately.

There are more social events in 2011 as you will see in the 2011 season Social Calendar, in addition to our mainstay events. We will repeat last year's delicious **Father's Day Champagne Brunch/Open House**, our 8th **Annual Membership Raffle and Family Fun Night**, and our traditional holiday parties. This year we will also be having many new and fun events. The dates and times of these events will be announced shortly and posted on the website and Facebook page.

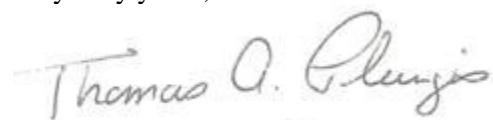

The success of any neighborhood pool is based on active participation of the families in the neighborhood. We ask you to engage your friends and neighbors to make sure that they are aware of Charleston and invite them up for a visit. If you know someone who is interested in joining Charleston you can refer them to Bruce Green (856)520-6342, or have them send an email to membership@charlestonswimclub.org and he will be sure to follow-up.

Your Charleston Board has entered this century and we are now on Facebook. You can find out about upcoming social events and swim team information. Please become a "fan" of our Facebook page.

Your Charleston Board is also trying to go "Green." Accordingly, we will be using email for many of our notifications. **Please make certain that we have your updated email addresses.**

If you need additional applications for any of your friends, applications can be printed from the Charleston Swim Club website. See you at the pool!

Very truly yours,

Tom Plungis, President
